

Dear Rheumatologists

Thank you for your interest in the Allied Health Rheumatology Triage (AHRT) Initiative. We received overwhelming interest in the program and are excited to be moving forward with next steps!

We recently held an information session via Webinar . We would like to ensure that all participants have had the opportunity to review this important information.

If you would like to confirm your participation for the AHRT, we kindly ask that you visit the link provided and view the information session

Once completed, please confirm your RSVP to me by **January 2nd 2015** . Once we receive your confirmation, therapists working at the Arthritis Society will be contacting you to set up an introductory meeting .

In the meantime, should you have any questions or concerns, please feel free to contact either myself or Sydney Brooks.

We look forward to working with you on this project!

Sincerely
Sandra
