Re: Medical Claims Electronic Data Transfer (MCEDT) Technical Issues

The MC EDT service continues to experience intermittent technical issues. Ministry staff are working to resolve these issues as soon as possible.

Note that the published cut off for January claim submissions is January 19th but claims can continue to be submitted to the Ministry and every effort will be made to process claims received by January 27th, 2015 for payment in February 2015.

The ministry regrets the inconvenience this has caused and appreciates your patience at this time. If you have any questions, please contact the Service Support Contact Center at 1-800-262-6524.
