

ANNUAL SCIENTIFIC MEETING

MAY 28–29, 2022

AGENDA

MEETING LEARNING OBJECTIVES

By the end of the meeting, participants will be able to:

- Discuss recent developments in the diagnosis and management of rheumatic diseases;
- Appraise new rheumatologic treatment paradigms and practice resources; and
- Foster greater provincial peer mentorship and collaboration

The theme of this year's meeting is **Practice Pearls in Rheumatology**. The meeting will enable participants to engage in both clinical and scholarly activities with the objective of improving the quality of care in Ontario for patients with rheumatic diseases.
